KIMBERLIN CREEK BAPTIST CHURCH JUNE 2019 NEWSLETTER

Dear Church Family,

My how the seasons change! It was not that long ago that a jacket was required apparel for everyday of the week. Now we are in short-sleeve shirts and shorts are everywhere to be seen.

With the warming of our days, I am reminded of so many activities that are on the horizon. We will be holding our Church Picnic (9 June), conducting a Youth Mission Trip (29 June-6 July), doing Vacation Bible School (15-19 July), and taking part in three weeks of Church Camp—just to name a few. This summer promises to be a busy time of the year indeed!

There is one special time of worship that will be easy to overlook, and I want to ask you to keep it on your calendars—our Community Worship service on Sunday, 16 June 2019.

There are two things that I hear on a frequent basis as a pastor. One is a desire for us to get outside of the four walls of our church building and to seek to reach our community. The second is that it is a shame that there are so many churches and denominations and that there ought to be a way for all of God's children to come together.

We will be outside the walls of the church building on the 16th. We will suspend our normal Sunday morning services and gather at the ball field in Lexington for a 10 a.m. time of praise in the Lord. On this Sunday, we can truly say that, "The Church has left the building!" This will be an opportunity for us to be seen in public as followers of our Lord Jesus Christ, a genuine witness indeed.

Do you realize that the four churches of the Lexington Township—Lexington Christian, Lexington Presbyterian, New Bethel, and us—will come together in a mighty show of force. When so many see the divided body of Christ we will be gathering in a display of unity for our Lord.

I know this is a time when many will choose to stay home or do something different on this particular day. I'm asking you not to stay home and make a commitment to be a part of our churches positive impact and to join hands with brothers and sisters of area congregations to show public witness for Jesus Christ.

YOUR presence will make a difference! Come and join us on Sunday, 16 June at 10 a.m. You know that you will be glad that you did.

Also, when you are out of town this summer enjoying family times of diversions, don't forget your church. Please send in your tithes and offerings when you are out of town or catch up on your giving the following Sunday when you are back (that is what Pam and I do when we are out for vacation). The work of the Lord does not take time off and we will still have many obligations over the summer months.

Thank you one and all for your faithfulness with your presence and with your giving. Your gifts of presence and giving are greatly appreciated in every season of the year.

In Christ's Love,

Pastor Tim.

*[Your gifts] are a fragrant offering, an acceptable sacrifice, pleasing to God*

Almost six months down! 2019 just keeps zooming by! This summer will definitely be a busy one for 4:12 Youth Ministry! Starting with June 6<sup>th</sup> and 13<sup>th</sup>, our group will be going to the Scott Country Clearinghouse to volunteer. On June 8<sup>th</sup> we will be having our semi-annual lock-in, followed by our annual youth Sunday on the 9<sup>th</sup>, with the church-wide family picnic after worship. We will be volunteering at KCBC's booth at Old Settler's on the 14<sup>th</sup> & 15<sup>th</sup>, then leaving for TEEN Camp after the Community Service on the 16<sup>th</sup>! Then on June 29<sup>th</sup> we leave for our mission trip to Monson, Massachusetts.

Over the last month on Wednesday nights, we have been taking a look at the Holy Spirit. We have dived into scripture seeing how He works as a whole with the Trinity and how He works in our lives today. We have studied how theologians experienced and described the Holy Spirit and how it parallels with us today. This study is a continuation of Canvas, which we have been going through since the beginning of the year. We began with Canvas: A Portrait of God then went to Canvas: A Portrait of Jesus to where we are now, Canvas: A Portrait of the Holy Spirit. When we finish the Holy Spirit, we will then move to Canvas: A Portrait of Grace. Every week I see these teens growing in their faith, it is amazing to see the work that God is doing in their lives!

As I always end my letters, I thank you for your continued support of this ministry. God is using your gifts to bless these youth and their faith is becoming more real. They understand that "religion" is so much more than words and deeds. They know that they need a true, deep relationship with their Creator, and that that relationship only comes through the acceptance and relationship with Jesus Christ. These are an amazing group of teens, and I tell everyone all the time, I have the best job in the world! Watching them grow into amazing young men and women who have a relationship with Jesus Christ is simply marvelous.

God's Blessings, Pastor Tyler & Leah

Here it is June and the month we celebrate fathers' day. Unjustly or not, I think that sometimes dads get cheated when it comes to Father's Day. It seems to play second fiddle to Mother's Day. Here is some interesting information I found comparing the two days: Mother's Day is about heartstrings. Father's Day is about hardware and last-minute shopping. Father's Day is less revered: not planned as far ahead, less time is spent together as a family and gifts are chintzier. Mother's Day - 150 million cards sold. Father's Day, a Hallmark afterthought, sees less than 95 million. While Mother's Day racks 150 million phone calls, Father's Day has 140 million but holds the title for most calls placed collect. Mother's Day ranks as the number one holiday for Mother's Day is the biggest brunch day of the year and a bigger dining out day than Valentine's Day with 38 percent of adults eating out. Father's Day sees 23 percent of adults eating out. It is a bigger day on the golf links, which tend to attract a mix of all-male foursomes, couples and dads with kids. Top gift for mom - clothing. Top gift for dad - one of 8 million neckties sold for the occasion. Happy Father's Dad, anyway, dad! So do we really need to honor fathers, or is the day a less commercialized version of Mother's Day. In my opinion if you are lucky enough to still have your father you should honor him everyday. My dad is the impossible standard that no other man could ever achieve. He has been a role model, friend and the rock I can always lean on. As I look ... back ... I realize ... that dad was always there whenever anything important happened in my life. He actively took part in all the ages and stages of my life. He taught me to fish, hunt, call squirrels, drive a tractor, raise a garden, care for livestock, run a chainsaw, use power tools and most of the skills I consider most. So even tho Father's day may not be as widely celebrated as Mother's day I want to be the first one to tell all you fathers happy fathers day. I pray that you if you are fortunate enough to have your father still with you that you let him know how special he is to you and how much you love him for being your dad, and not only appreciate him on father's day but everyday of the year. Happy Father's Day.

**SUMMER CAMPS AT  
SOUTHEASTERN BAPTIST  
IN WESTPORT**

**TEEN CAMP: JUNE 16-21  
KINDERGARTEN CAMP: JUNE 27-28  
JUNIOR CAMP: JULY 7-12  
PRIMARY CAMP: JULY 21-24**

We are expecting at least 10 Teen campers, 6 Junior campers and around 6 for Primary camp. Camp fees have gone up dramatically this year. Teen and Junior camp fees are \$180 per camper and Primary fees are \$130. The church does pay half of those fees but they may still be formidable for families with a lot of children wanting to go to camp. If you would like to sponsor or just help out with the family part of the fees, you may give donations to Judy Peacock. Just tell her they are for family camp fees for those needing help. We want all our kids to be able to go to camp. Please pray about this and help kids go to camp this summer.
