KIMBERLIN CREEK BAPTIST CHURCH - SEPTEMBER 2020 NEWSLETTER

Dear Church Family,

During the month of August, we have been talking about the reality of Spiritual Warfare as we have read from the Psalms. We have seen that this is quite appropriate as so many of the Psalms were composed by King David, a warrior of great renown. Throughout the Psalms we hear David's focus on being a warrior for the One True King.

As we approach a new month and the beginning of a new season, we will move from the Psalms to the New Testament, continuing to learn about the nuts and bolts of Spiritual Warfare.

When one first enlists in the military their first duty is to learn their "General Orders." These are commands that apply to all members and at all times. As Christians we also have "General Orders" that are directed to each and every one of us in our daily walk with the Lord.

Frequently I am asked, "what is the Lord's will for our lives as Christians?" Simply put we are each expected to follow His "General Orders" that He has made known to us in Scripture.

What are these "General Orders?" This is what we will be listening to from God's Word throughout the month of September. We will be reading from the Great Commandment (Matthew 22:34-40; Luke 10:25-37), the Great Commission (Matthew 28:16-20), and we will seek to gain a greater understanding of how we approach His Table and the strength that we receive for the spiritual battle as we partake of the Lord's Supper.

I believe that you will find this series of sermons to be of great practical application for our daily walk with our Lord Jesus Christ. Come and experience the joy of following our Lord and Savior Jesus Christ!

Looking forward to seeing all y'all in worship. Y'all come!

With Love for You All,

Pastor Tim.

1 Timothy 4:12

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity.

Thank you, thank you, thank you!

First, thank you to our sponsors. Sponsorships allow us to focus on ministry and service in our community, rather than constantly raising funds for our group. We can provide safe, fun, and FREE activities for our teens because of your generosity.

Second, thank you to each and every person who participated in our spaghetti dinner. We were able to raise \$600 for the 4:12 Youth Ministry. We had a great turn out and the drive through service was efficient and safe!

Third, thank you to our teens. The teens of 4:12 youth ministry work very hard in the church and in the community. They are "experts" at setting up and tearing down tables and chairs, and we usually always have some sort of "project" for them to do around the church building each time we're together and they do it without complaint. Additionally, we have several teens who have regular responsibilities in the worship service or serve in various capacities in the ministry of the church. They work hard to exemplify our theme verse - 1 Timothy 4:12. We say it often - if you haven't taken the opportunity to get to know our teens, you're missing out!

We're currently looking forward to our trip to the Smoky Mountains. Originally, we were planning to go to Dollywood and do some other "tourist" type outings, but with the virus rates as they are, we will mostly be hanging out in our cabin and venturing out for "low contact" activities so that we keep everyone as safe and healthy as possible. It's still going to be a great trip and all of the teens going are looking forward to it!

Thanks again for all of the prayer and support that help make 4:12 Youth Ministries happen. We couldn't do it without them.

Blessings,
Pastor Tyler & Leah

and the seasons.
Daniel 2:21*

Who do you think you're talking to? Have you ever had someone say this to you, or have you ever heard someone say this to someone else? Most of the time the one saying it is no different than you--they just think that they have the ability to change your situation. A Lot of times in our Christian walk we'll get into a routine of talking to God until sometimes I think we may forget who exactly it is we are talking to. We forget that he already knows the situation we may be in and he has the ability to change our situation should he see fit. This seems to be a trait of human nature going all the way back to Jesus's time. Right after the crucifixion and Jesus had risen and ascended into heaven Peter was thrown into jail and locked up in chains in the inner cell, so just down the road his friends began to pray. Even tho they had witnessed many miracles, and they had witnessed numerous prayers answered by God, they were shocked and surprised to find Peter knocking on the door. So remember if you are praying about something, and maybe you have been praying for something for a long time until you feel that it's part of your routine, just keep trusting and don't lose faith, just believe every time you pray that the answer is on its way, and when it comes don't be surprised. Lastly remember who it is you're talking to, don't forget what he can do, and try and remember that he cares for you and always knows what's best in our lives. So in the midst of everything going on in the world today, when it feels like you have no one to talk to, try talking to God, and see what he can do.

1. Temperature checks at door. Any temperature of 100.4 and participant will need to reschedule.
2. Answer series of questions. "over the past 14 days, have you experienced any of the following symptoms":
 - * fever
 - * unusual and persistent cough
 - * unusual shortness of breath or difficulty breathing

Life Line Screening COVID-19 Protocol:

2. Life Line Screening will always follow "maximum gathering size guidelines" per city/county/state ordinance(s).
3. We are social distancing participants (registration and screening areas) by at least 6 feet. Interior and exterior signage will be in place to support both social-distancing and cleanliness.
4. We no longer have participants fill out paperwork. They enter their information on electronic tablets (no paper, pens, etc.). These tablets are disinfected after each use. Participants will be given the opportunity to provide as much of their health history in advance of the screening, to avoid unnecessary wait time.
5. Everything used/touched in the screening stations is wiped down/disinfected after each participant.
6. We wipe down tables, chairs, doorknobs, etc. throughout the day and prior to departure.
