KIMBERLIN CREEK BAPTIST CHURCH  
AP-RIL 2022 NEWSLETTER

Dear Church Family,

We all have dates in our lives that are meaningful. Without question April 24, November 21 and 26, and February 28 are VERY important to me, and they receive special attention every year. All I will say is that each of these involve Pam; I will let you ask her about the meaning of these superlative dates 😊

As important as our personal dates are to all, there are others that are milestones in human history. What days come to your mind that have “rocked our world” and have made a major impact upon all our lives?

A date I heard frequently growing up was December 7. I can remember my father sharing about the impact of Pearl Harbor on his life and those that he knew, especially his schoolteacher who had a son and daughter who were killed during the attack.

One of the things that amazed me was that he could tell me exactly where he was when he learned of it. As a child I was astounded that one could remember where they were when they heard such world news. Silently I kind of wondered if my dad really could remember or if it was just his imagination. Then came 9/11...I don't wonder anymore!

If I was to ask you what the most important date was in world history, what would you choose? Knowing the impact that December 7 and September 11 have made on our national saga perhaps you would choose one of these.

As noteworthy as these dates are, let me share one that is far more important and that has truly “rocked our world.” Oddly enough it is a date that we don't know with absolute certainty, but the events of that early morning have truly changed all our lives in great and marvelous ways.

What is this magnanimous day? It is one that we read about in Luke 24:1-7:

On the first day of the week, very early in the morning, the women took the spices they had prepared and went to the tomb. They found the stone rolled away from the tomb, but when they entered, they did not find the body of the Lord Jesus. While they were wondering about this, suddenly two men in clothes that gleamed like lightning stood beside them. In their fright the women bowed down with their faces to the ground, but the men said to them, “Why do you look for the living among the dead? He is not here; he has risen! Remember how he told you, while he was still with you in Galilee: ‘The Son of Man must be delivered into the hands of sinful men, be crucified and on the third day be raised again.’”

This is the event that has brought the greatest joy to human life! This is the occurrence that we gather to celebrate every Lord's Day! This is the episode that we base our calendars on! This is the incident that has truly changed all world history! This is none other than a dead man getting up and walking again! This is the Resurrection of Our Lord Jesus Christ!

I am so looking forward to celebrating with you all as we gather on Sunday, April 17, to proclaim that “He Is Risen! He Is Risen Indeed!”

Come join us at 7:30 a.m. for the SONrise Service and Breakfast, and at 10:30 a.m. for Worship on Easter Sunday as we realize that Jesus Christ died for our sins, we rejoice that He truly lives today! Think about who you can invite to be with us for this day of celebration and share how the Resurrection of our Lord Jesus Christ “rocks our world” indeed!

With God's Love for You All,

Pastor Tim.

As I sit here contemplating it's hard to believe that it is almost spring. As we look towards the signs of spring different people reflect on different things. Some people think of the warmer days, some the sounds of birds singing and others think of the grass that is turning green, or the flowers that are starting to bud. As a Christian when I reflect on this time of year I think of the things that are empty. If you walk around outside much as the weather warms and you look closely you may notice a dried up cocoon that has the end missing, or you may notice that bird's egg that has fallen from the nest and is broken open. Some people may just see these things for what they are and not what they represent. As a born again believer when I see these objects I think of the ugliness that was once inside of them and the titanic struggle that took place before the shells finally opened releasing beautiful new life. When I think of this my mind takes a trip to a garden where there is a tomb that one day they laid Jesus beaten and bloodied body in, and I think of the titanic struggle that took place as he conquered death and the grave and then just like that cocoon and birds egg that grave opened and new life burst forth. So as you think of spring with all of its new life take a moment to stop and think about that empty tomb, for it is the reason why we are able to have new life in Christ. He is risen Hallelujah.

Can you believe it! 3 months down in 2022 already! Time flies when you're having fun! A quick recap of the last few weeks: we had a great time at Ignite, a two-day retreat at SBYCamp and we had a great evening at our first Sunday gathering just hanging out and playing some games.

There are still some great things to come in March. This Sunday, March 20th, 7 teens, Leah and I will be headed to SBYCamp for our annual Spring Work Retreat. We will be helping get the camp ready for the summer season. It's always a great time of service, fellowship, study and of course plenty of food! I'll give you an update next month on all the fun we have! On the 26th we will be going to CRADLE to volunteer for a couple hours to help with whatever they need.

In April, we will have our first Sunday gathering and we are looking at going to play laser tag in Madison! Also, some of the teens will help the Kingdom Kids leaders hide eggs for the Easter egg hunt. That's about it for April! Besides, of course, Sunday School, Morning Worship, Wednesday evening Bible study and our special Easter services!

Thank you all for your prayers and financial support! We are able to continue ministering because of God's Grace and your generosity!  
 Blessings, Pastor Tyler & Leah

When Jesus saw this, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it."

Hello Church Family,
