KIMBERLIN CREEK BAPTIST CHURCH
JUNE 2022 NEWSLETTER

Dear Church Family,

Since Pam and I have lived in several places over our time together, we have had some unique experiences in the realm of driving. Even to this day, I make a point of looking both ways when I come to a one-way sign. I have had people riding with me laugh, but I just look at them and say, "I guess you have never had someone coming at you from the wrong way on a one-way street? Let's just say that I have encountered that on more than one occasion."

In a town the size of Scottsburg, I never thought this problem would come up, but...

The other day I went to WesBanco to do my banking. When I left, I went south of Bond Street, and came to the intersection with Cherry. Cherry is one-way eastbound, which is the direction I was preparing to take...that is until I looked up and saw a car going westbound, or the wrong way.

Obviously, I sat there and waited for them to pass me, but I wondered how I could let them know they were headed the wrong way. So, I flashed them with my high-beams and blew my horn. You guessed it didn't you? They ignored me and kept right on going. It even seemed like they sped up a little as they flew right by me.

After they went on their merry way and I turned the correct way down the street, a thought came to my mind. Did they think I was someone they knew, and they didn't recognize me? Perhaps they wondered why in the world this lunatic was blowing at them? Maybe they knew they were headed the wrong way and just didn't care because it was the quickest way for them to go?

Do you know family and friends who are going the wrong way in life? You have told them about your hope in Jesus, but they keep heading hard and fast away from Him? Or, you have tried to share about your faith in Christ, and they blew you off? They are on the "Highway to Hell" and they just don't care!

Honestly, it is frustrating when people react in this way, and it is easy to get quiet around them. They don't want to listen anyways!

I encourage you to continue to pray for them and ask the Lord for an opening to share with them. Continue to be upbeat and happy around them as you give praise to the Lord; whatever you do, don't keep quiet in their presence. And, don't give up on them because you never know how the Lord will move in their hearts and lives.

Remember the admonition of Jude: "Be merciful to those who doubt; snatch others from the fire and save them (Jude 22-23)."

I hope that driver I saw got on to the right path quickly. I didn't hear a crash, so I don't think they met anyone head on coming down the road. Praise God!

I pray that we will be just as faithful in warning those in our lives who are heading away from Jesus Christ. They might think we are crazy, but we are talking about their eternal destiny. Flash your lights, blow your horns, show them the mercy of Jesus Christ, and "snatch them from the fire!"

With God's Love for You All,

Pastor Tim.

1 Timothy 4:12

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity.

Summer is here! We are getting ready to enter a busy couple of months! Leah and I will begin the month on vacation before the busyness really begins. After we get back we'll be having a final meeting for the mission trip on June 7th. We'll be hosting a movie for the Lexington Little League at the ball field on June 10th. Our annual lock-in will be June 11th with Youth Sunday to follow on the 12th- along with the church picnic. On June 17th-18th KCBC will have a booth at Old Settlers in Lexington, we'll be giving away free water and popcorn. Then, teen camp begins on June 19th through the 24th! On the 26th, Leah and I have invited all of our teens and their families to our home for a swim party and cookout. To finish the month, on June 29th, everyone is invited to a special prayer service for all those going on the mission trip.

We're excited for our new 7th graders to join us at our annual lock-in, some of them have been excited to join us for quite some time! I know of several 6th graders that are looking forward to their transition year between Kingdom Kids and 4:12 Youth as well! We love that the kids are excited to join the youth group!

On Wednesday nights we are still studying in the Old Testament. As I write this, we just finished up the book of Job. We had some really great discussions, asking if God is always Just. The teens have a deep understanding, for their age, about why we suffer and have to endure hardships. They don't have all the answers, (who does?), but they know that we live in a broken world, marred by sin. This isn't the perfect world God had planned, so bad things happen. Sometimes, God allows it; sometimes, it is given as a test to strengthen our faith; sometimes, it's the result of consequences for our actions. We must remember that God works all things together for the good of those called according to His purpose.

Thank you for all your prayers and financial support.
God's Grace & Peace, Pastor Tyler & Leah

What comes to your mind when you think about the month of June? I'm sure for the High school senior they are thinking about graduation. Maybe that school teacher is thinking about vacation, while others may be thinking about it finally being summer time, and all the fun they plan to have. I feel that sometimes the excitement, and busyness of the month causes us to overlook Father's day. As commercialized as Mother's day has become, it seems like Father's day seems to take a back seat. While mother's deserve more than one day a year, I also want to give props to the Father's who take their role seriously, and are involved in leading their family. It seems like in today's world men are not taking the role of a father seriously. I heard a saying once that said any man can become a father, but it takes someone special to be a dad. For me personally there is no greater joy than being a dad. I was blessed with a great dad growing up, and I catch myself passing on what he influenced in me, onto my children. As good as a dad I had growing up, and am blessed to still have in my life, I have also had a heavenly dad that has influenced, and led me on this journey of fatherhood. The older I get the more I am in awe of how much patience my heavenly dad has with his children. Much like our own children as they get older, and start making their own decisions we have to sometimes let them learn for themselves what the consequences are from some decisions. No doubt our Father in heaven does the same thing with us, and even though we make mistakes and let him down he still loves us much like we do our own children. So to all the dads out there that don't get enough credit, keep on keeping on for great will be your reward. Happy Father's day. Love you all.

**LEXINGTON OLD SETTLERS'

Kimberlin Creek will have a booth at this event. We will be giving away bottles of water and bags of popcorn. We will also have information to pass out about our church and future events coming up this summer... camps & Vacation Bible School. We will need lots of volunteers. First for helping to set up the site from 3-4 PM on Friday. Then there will be 2 hour schedules to begin at 4 PM that day up until 10 PM. Then again on Saturday beginning at Noon until 10 PM with that last hour being cleaning up & tearing down the site. 4:12 Youth will be at the site throughout most of both days. So we need adults to sign up on the sheet at the church for all the scheduled hours.

Then on Sunday, June 19th we will have our church service with the other Lexington churches at the Fire Department tent that was set up for Old Settlers. We will meet there at 10:00 a.m. There will be no services at our church that day. PS: no Sunday School

CHURCH-WIDE PICNIC

Hallelujah! This year we will again be having a pitch-in meal for this event. We won't have to rely on the church to provide it all. The church will provide fried chicken. So make plans now as to what you will bring & sign up on the sheet on the bulletin board. The children will have an inflatable water slide so bring appropriate clothing for them & towels. We will also have games for youth and adults. So bring your lawn chair & plan to enjoy the afternoon with friends!

Mark 10:14-15

When Jesus saw this, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it."

Hello Church Family,

Please join us for Youth Sunday on June 12th. It will be a bittersweet day for Kingdom Kids. We will be promoting several of our girls to the 4:12 Youth Group and they will receive new Bibles. Congratulations to Lorelei Sands, Macy Gibson, Molly Bledsoe, Molly Gregg, and Taren James. We also see several of our friends receive their Bibles because they have been promoted in to the 2nd grade! Great job everyone!
