**Calling All Pastors!** Each month our associational pastors are invited to break bread together on the second Thursday at Denny's in Scottsburg. Our Region Minister, Rev. Steve Allen, joins us for this time of fellowship, sharing, and encouragement. The next get together will be on Thursday, 8 February at 8:30 a.m. Pastor, please come out and join us. Church members, encourage your pastor to take advantage of joining together with brother pastors in Christ.

**CCBA Scholarships** For those who are heading to college or trade schools, it is time to complete the 2024 CCBA Scholarship applications (please use this year's application, and not ones from previous years). The deadline for this year's submissions will be 31 March. Look for the application, which is included in this issue of the *Shepherd*, and encourage students to fill this out. We would love to help support your higher educational experience!

**Congratulations to both the Elizabeth and Lick Branch churches** that are observing significant anniversaries in 2024. Both churches were constituted in 1824 and will be recognized at our annual sessions on 10 March for reaching 200 years of worshipping and serving our Lord Jesus Christ!

### **State ABWM**

Our 2023 State Project was Kodiak Baptist Mission in Alaska. Our state President, Jean Langdon, writes in the recent issue of our state *Observations*: “The goal had been set at \$15,000. That goal was surpassed by \$6,329.67! Kodiak Baptist Mission received a check for \$21,329.67 because of the love and generosity of American Baptist Women of Indiana. Thank you, Sisters!” That is awesome news!! Thank you to those in our association that made it happen!!

Now on to our 2024 State Project, Kristy Engel. This is what Jean has to say “Kristy Engel, International Ministries (IM) global consultant with a focus on health care issues, has been chosen to be the 2024 ABWM IN/KY State Project. Please pray for Kristy as she serves our Lord in various places around the world, and may American Baptist Women be just as generous to this year’s State Project to allow Kristy to serve others in His name!” Watch for more information in the coming weeks, especially in the state newsletters.

Please note that our new state treasurer, DuRhonda Pinegar, assumed her office January 1 so any monies being sent to the state now are sent to her. The new treasurer’s reporting form was in our last edition of our state newsletter.

#### **Sewing Seeds of Love**

12 ladies met at First Marion Baptist Church on January 2 and continued sewing items for Cradle in Scott County. We still have lots of fabric so please join us at our next session on **Tuesday, February 6 at at New Providence Baptist Church from 4-6 pm**! Since September, we have made 24 burp cloths, 20 bibs, and 8 blankets for CRADLE.

We need churches to host us for March 5, April 2 and May 7—if your church wants to host us, please call me.

#### **Scholarship**

Please don’t forget our scholarship student, Ashley Walton.

2024 Scholarship applications are available now. The registration deadline is February 15, 2024. Please encourage all college/technical school bound students to apply. Also, if you want to contribute money to our scholarship fund for this year, please send in your money by March 31.

## **2024 Spring Conference**

This year's spring Conference will be held April 20 at Bethany Baptist Church from 9:00-2pm. Our Association officers have been meeting/planning and I think it will be really exciting so please mark your calendars and plan to attend. We will be having a silent auction also—this is our only fund-raising activity so please bring a basket/item and plan to bid on and take some home with you! Auction item themes could be garden, baking, books, pets, babies, graduation, spa, books and so much more—be creative and see what you come up with! (Pinterest and other internet websites have great ideas!) Please package them so that everyone can see the contents.

The February State newsletter is now available and will be distributed this week along with this issue of *The Shepherd*. Watch your email or your US mail and be sure to share it with all the ladies of your church!

## **Disaster Relief**

We have started planning our March 2024 trip. We will be going to Mayfield/Graves County in Western KY, where they are still rebuilding after the December 2021 tornado. This will be our first trip to Mayfield--maybe you can join us in March!! (Dates will be announced very soon!) Pastor (and former contractor) Ralph McVay will be our contractor! You will be surprised at just how blessed you will be! And as always, we are looking for prayer support and financial contributions. Donations can be sent to Grace Flynn, 139 N. Sharon Dr., Scottsburg, IN, 47170; checks should be made payable to "CCA ABWM." Thank you for your support of our past 6 trips!

### **Austin**

Greetings to all of our Fellow Churches of the Association. I hope that everyone is staying safe and warm during this recent cold weather. I would like to share some thoughts about keeping our focus on Jesus Christ. It may be cold outside but the Sun is Still Shining. Exodus 16:10 says –They looked and behold the glory of the Lord appeared in the cloud. Without the clouds we would not be shielded from the burning effects of the sun. Without the clouds we would have no colorful sunsets, no beneficial rain, or no beautiful landscapes. The same is true with the clouds of life. When hard times come we easily get discouraged. However behind the clouds God is still present, and can even use them to water our souls with unexpected blessings. Each of us experiences clouds in life-sometimes slight, sometimes dark and frightening. Whatever clouds you may be facing today ask Jesus the Light of the World to help you look behind the cloud to see His Glory and His Plan for each of us.

Blessings in Christ,  
Pastor Josh
