Monthly Newsletter of Kimberlin Creek Baptist Church

Dear Church Family,

One of the greatest ways that we can minister and serve is by praying for one another. We obviously do this in person, during Worship, and on Wednesday evenings. And, over the years we have come up with ways of sharing concerns throughout the week. How many of you remember the phone prayer chain calls? As technology advanced, we went to email notifications and today we do this by texting.

We take this mode of informing for granted, but I thought that I would take this opportunity to explain a few of the nuts and the bolts of the system.

Now, there are programs that you can buy and use to send out group prayer texts, but these are expensive. Instead, Pastor Tyler and I just use the texting on our personal cell phones to make this happen. Overall, this works very well, but there are some limitations with the system.

First, when you send your prayer concerns, we send them out to over one-hundred cell numbers (praise God we have that many people who want to pray for others!). This is quite manageable by copying and pasting. The downside to sending out that many is that they can be read as potential spam. The more phones they are sent to, the more likely they will be marked as spam. To get around this we do not send a text once, but we use groups of smaller numbers to send them out. I presently send out texts to ten different groups.

Due to this it can take a couple of minutes to send out texts. Also, I might be in the middle of something when you text. Perhaps I am driving down the road, or visiting with someone in the hospital (humorously, while typing this I received a prayer text, so I stopped typing to send it out). Give me an hour to send out your text, I promise I will pray and send; if it takes longer, you are welcome to check in with me.

Remember that everyone is part of a group. If you respond by asking a question of the person who sent the prayer concern, unless they are a part of your group, they will not see your comment. It is best to just send that individual a text directly.

I frequently edit people's texts. Please don't take this personally, but they cannot be too long, or they will be marked as spam and cause problems with sending out.

Also, please be aware of the time that you are sending your text. With various bedtimes for different people, I only do texts between the hours of 8 a.m. and 9 p.m. Believe it or not, I have received texts on Sunday morning during Worship (I leave my cell phone on my desk during Worship; I remember one time that I did not see the text for about two hours because I had a meeting and folks who needed to talk). Not fussing, I am just asking you to be aware.

We are always happy to add more people to our prayer chain system. If you are not presently a part of this ministry, please let us know and we will be happy to add you. I don't mind adding more groups!

Thank you for taking James' admonition to pray for one another seriously. May we continue to be faithful in approaching the Lord's throne of grace!

With Love for You All,

Pastor Tim

*Therefore, confess your sins to one another and pray for one another, that you may be healed. The prayer of a righteous person has great power as it is working.*

## 1 Timothy 4:12

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity.

April was a very busy month for our 4:12 Youth! We had Gatherings, a work day at camp and a work day cleaning up our local parks! We are excited for May! In addition to Sunday Mornings, Wednesday evenings and our Mondays at Warriors Den, here's everything happening in the month of May:

- 5th- Church-wide Highway Cleanup
- 15th- High School Small Group
- 22nd- High School Small Group

We're excited to be gearing up for summer camp season as well! Our 4:12 Youth stay busy! Here's an update on this summer's mission trip to Rainbow Acres in Camp Verde, AZ: Our flights are reserved and our vans are rented. As with everything, the prices of things have increased since the last trip but we're trusting that God will provide the extra funds to make this trip a success. We're currently just under  $\frac{3}{4}$  of the way to our fundraising goal. We're very excited for this trip to see how God moves in the lives of the teens and the ranchers as we serve them.

Blessings,  
Pastor Tyler and Leah

Something Beautiful, something good. Here we are entering into May already. Is it me or is this year just flying by. As I was coming down my driveway the other day, I couldn't help but see the beauty that this time of year brings. Along my drive there are two beautiful lilac bushes and I have driven by them hundreds of times, yet this time as I drove by, I was drawn to their breathtaking beauty as their buds had burst into the most gorgeous purple. Looking at this I thought about how just a few months ago these same bushes were so ugly. They were brown and barren and almost unnoticeable as they blended in with the taller and more dominant trees around them. It seemed like they were just a waste of space as old man winter had its grip on them. Yet as time wore on and the days got longer you could see tiny buds of life start to sprout until eventually, they burst into the brilliantly breathtaking trees that I was amazed at on the way home. You know at one point our life was like that. We were under the grip of old sulfur breath, and we were blended in with the more dominant and shiny things of the world until we felt worthless. Yet at some point we came in contact with the light and a little bud began to sprout, and as we walked in the light supplied by the Son, we became glorious creatures in God's sight. Just like the song continues to say, all I had to offer him was brokenness and strife, yet he made something beautiful of my life. Praise God for the beauty he can find in all of us if we just let him.

On Sunday, May 19<sup>th</sup> the Coffee Creek Association will hold it's annual Spring Singspiration at Kimberlin Creek Baptist Church at 6 PM.

All churches in the association are asked to bring special music. Everyone is invited to attend. At this event we also are sponsoring the Southeastern Baptist Youth Camp. Below is a list of items they are needing for the summer camp season. Please bring some of the items or money for the offering that will be taken for the camp that night also.

Mark 10:14-15

When Jesus saw this, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it."

Hello Church Family,  
 We want to thank you so much for your Yard Sale donations. We know that every penny we made was a blessing from God. When we work together, we are making a difference for the Kingdom of God.

May is a busy month for Kingdom Kids, on Friday, May 3rd we will have our Annual Spring Lock-in. If your child(ren) needs another permission slip, please let us know. Our menu for our Lock-in is a nacho bar. We will tie dye our new Kingdom Kid's t-shirts, hangout and play with our friends, make a craft, and a couple of other surprises. Our movie has yet to be determined. As a reminder we'll start at 6 pm and pickup on Saturday morning is at 9 am.

We are halfway way through our "Lord's Prayer" 6-week study. Our kids are doing an AMAZING job memorizing the KJV of the Lord's Prayer! We can see so much spiritual growth happening in our kids during our classroom discussions. So many of them understand the fact that we want a relationship with our Lord and Savior rather than saying we're part of religious group.

Thank you again for your continued prayers, love, support and donations. Your support is making the Kingdom of God grow by leaps and bounds. As a reminder if you have any questions or concerns, please reach out to us.

God's blessings and love,  
 Ms. Angie A., Ms. Malina and Ms. Rita
